Thanks for your interest in "All About Music". I am Wayne Williams and I am the owner of "All About Music". We would love the chance to be your music for your special event.

We use nothing but top of the line speakers (jbl or mackie). We are a full time business, equipped with 7 full set-ups, 7 DJs to play the music for you, and every song you want to hear.

Do you really want a DJ who does this as a second job?

Most DJs in this area have a full time job and DJ on the side. This is our only business and we focus completely on music. All of our DJs are personally trained by myself.

*Enclosed is our packet along with a contract and our prices.
Just call (806) 372-1903. We will do the rest.*

*Warm Regards,
Wayne Williams, Owner*
